

`initializer< R >`

`field_size`

`fs`

`defrost_style_initializer< R >`

The diagram illustrates the relationship between three components. At the bottom is a grey box labeled `defrost_style_initializer< R >`. A solid blue arrow points from this box to the `initializer< R >` box at the top left. A dashed purple arrow points from the same bottom box to the `field_size` box at the top right, with the label `fs` placed next to the arrow.
